A once-in-a-lifetime experience with some of the sea's most majestic creatures. All ocean safaris can take a minimum of 4 and a maximum of 10 guests.

	Price Per Person
OCEAN SAFARI (2 Hours)	$ 80.00

Included with stays of 4 nights or more*

Enjoy a snorkelling trip to a nearby reef and you could even swim with Bottlenose Dolphins that regularly glide through these waters. Dolphins are known for their calming and therapeutic effects on humans. You will have the opportunity to experience this unique bond between humans and dolphins and form friendships that will stay with you forever.

From July to November each year, the majestic Humpback whales visit us on their annual migration. Join us as we set sail in search of these beautiful creatures and observe them in their natural habitat. Whale watching is conducted from the comfort of our snorkelling boat as we observe the whales blowing, breaching, lob tailing and playing. In the later part of the season we may be lucky enough to encounter the new-borns as they learn to breach and play.
